I did a transaction with Greg this year on a property in Falls Church. At first I was skeptical because he is not a real estate agent, the property had not been in the MLS, just in an email and he was not the owner of the property at the time of the contract. Greg was professional and explained how the purchase process would work which was pretty ordinary. We signed the contract and went to closing smoothly just like I would expect. The home was a fantastic deal as well! I am happy to be contacted.
