Dear Greg Norman,

I want to thank you, for the business opportunity, regarding the transaction at the 17th Street, NW, Washington, DC property; it was a pleasure working with you. You were very prompt and detail. You really demonstrated a high level of commitment and professionalism during the entire process.

I am looking forward to working with you again. Please feel free to provide my information to anyone wishing to speak with me, for further detail and reference.

Wishing you continue success.

Best regards,
